The life of David

GETTING STARTED:

Tell of a time in your childhood where you were caught “red handed” for doing something wrong. What was your reaction to being caught?

Is anyone brave enough to tell a story of when you were caught “red handed” doing something wrong as an adult? We all have been caught doing something wrong, even as an adult, think about that time, was your reaction different than when you were a child? If so, how?

TAKE A LOOK AT THE BOOK:

Read 2 Samuel 12:1-15

What was David’s reaction to being caught “red handed”?

Read Psalm 51

What are words/word pictures David uses here to describe his sin?

What are words or word pictures he uses to describe the forgiveness that comes from God?

How does sin affect our relationship with God according to Psalm 51?

How is a broken spirit and a contrite heart a sacrifice to God?

TAKE IT HOME:

Pastor Jeremy said “Real repentance is doing a 180 in your mind, attitude and behavior. What does that look like in real life?

How can we maintain a lifestyle of repentance? (Prayer, Accountability, Time with God, Dependence on the Spirit of God)
