

## **SEPT 9: THE BIBLICAL BASIS OF MISSIONS**

- See the plan of God unfolding from Genesis to Revelation – the redemption of all nations.
- Hear the whole Bible distilled down into one story with an introduction, a plot, and a conclusion.
- Understand missions as the fundamental theme in scripture and not just at peripheral issue.
- Gain a solid foundation on which to build a heart for the world.

## **SEPT 16: HISTORY OF MISSIONS**

- Be inspired by the lives of key men and women who have been used by God over the past three hundred years.
- Watch the transition as historically we have moved from seeing the world as nations to people groups.
- Understand how God has used normal people with real obstacles and excuses to impact the world for His Kingdom.

## **SEPT 23: THE TASK REMAINING**

- See the remaining task of missions in the world. This includes a closer look at the 10-40 window.
- Understand the basic beliefs in Islam, Hinduism, Buddhism, and Chinese and Tribal religions.
- View the world from a new perspective: reached and unreached people groups.

## **SEPT 30: WORLD CHRISTIAN HABITS**

- See missions as more than overseas work – everyone has a part to play. We will look at ways to be involved daily through praying, giving, mobilizing, and reaching internationals.
- Explore the other side of missions. Be equipped with easy application points to live out a world Christian lifestyle.
- Come away ready to challenge others to gain a heart for the world.
